

Wright County Food Pantries

Persons wanting to access the Clarion Food Pantry will be referred to Chris Oliver or Brad Leckrone. If neither are in the office you may give them an application to complete (Kathy Lester has some) if you wish and tell them that Chris or Brad will contact them or they can come back later. Clarion Food Pantry is for Clarion residents only.

The Belmond Food pantry is for the Belmond School District (Klemme, Goodell, Belmond and Rowan). The Belmond Ministerial Association has requested that all applicants for the Belmond Food pantry be referred to Chris Oliver.

Residents of Dows may contact any of the Dows churches to access the food pantry there.

Eagle Grove has two food pantries that cover Goldfield also. Eagle Grove Food Pantry is opened M-W-F from 1-3 at 510 S. Jackson. An emergency food pantry is also available through Upper Des Moines Opportunity (UDMO) if a person needs food when the regular food pantry is not opened. UDMO Food Pantry is opened during hours when the regular pantry is not opened.
