Clemons then gave an update on the drainage/tile issue on the Southeast corner of Lake Cornelia along Page Avenue. Motion by Rasmussen and seconded by Watne to send a letter to the owner of the private tile and the landowners where the tile goes through to instruct them to establish a plan of attack and respond in 15 days with the repair finished in 30 days. If not completed in 30 days the county will come in and complete the project and bill the adjacent landowners for cost incurred. Motion carries.
