Minutes of the September 10, 2012 regular meeting were read and approved.

Approved claims for payment.

The board went on conference call with Hancock County Board of Supervisors to discuss the repair work to be done with Drainage District #121-54. The cost of the repair done is \$22,385.56 to this district which is less than the 75% of original cost of establishment. Therefore, there will not be a need for a public hearing on the project. There was then a motion by Myron Amdahl and seconded by Ted Hall of Hancock County to cancel the public hearing set for October 29, 2012 due to the cost of repair being less than 75% of the original cost of establishment. Motion carries by both boards.

Motion by Watne and seconded by Beenken to adjourn the meeting. Motion carries.
