

December 14, 2015

Chairman Helgevold called the regular meeting of the Wright County Board of Supervisors to order at 9:00 a.m. Members present were Watne, Helgevold, and Rasmussen.

Minutes of the previous regular meeting of December 7, 2015 were read and approved.

Approved claims for payment.

Held the completion hearing on Drainage District #33. Luke Huggins, Engineer with McClure Engineering, gave a brief overview of the project. Grant Woodley, expressed on behalf of the Woodley family, how unhappy they are with the final grade of the waterway. Huggins expressed that they took some survey shots to compare to the pre-construction survey shots that were taken. The survey showed that there was an average difference of six inches from pre-construction. Those areas that were more, were over the tile and he explained that the dirt will settle. There was then a motion by Watne and seconded by Rasmussen to accept the engineers Statement of Completion and direct the Auditor to release the balance owed to the contractor of \$17,743.43, after the expiration of 30 days per Iowa Code Section 468.103. Motion carries.

Motion by Rasmussen and seconded by Watne to adjourn the meeting. Motion carries.
