Chairman Watne called the regular meeting of the Wright County Board of Supervisors to order at 9:00 a.m. Members present were Watne, Rasmussen and Helgevold.

Minutes of the previous regular meeting of April 25, 2016 were read and approved.

Approved claims for payment.

Sandy McGrath, Wright County Environmental Health, met with the board to discuss a new proposed pork facility called Frye Pork Resort. This will be two double wide buildings over the pit. Motion by Rasmussen and seconded by Helgevold to approve the Master Matrix on Frye Pork Resort meeting 540 points on the matrix. Motion carries.

Held the budget amendment hearing at 10:00 a.m. Motion by Rasmussen and seconded by Helgevold to approve the budget amendment as presented and lawfully published. Motion carries.

Held the continued hearing on a private tile crossing in drainage district #131 from last week. Additional paperwork has been filed from both landowners concerned in the tiling project. In this paperwork, Wagner said his intent was to install non perforated tile through Robb's land, but if Robb would agree to waive the easement he [Wagner] would install perforated tile to help drain Robb's land also. Robb stated that he did not expect this question, but would agree to waive the easement as long as Wagner and/or his successors agreed to pay for future crop damages and repairs. Both parties agreed to this.

Johnson then said that per Iowa Code Section 468.605 provides that the board may adjourn the proceedings but shall not be for a longer period than ten days. He continued to say that it will take longer than that to prepare the drainage agreement and asked both parties if they would consent to a longer delay. After both parties agreed, it was determined to reconvene this hearing to May 23, 2016 to allow time for the agreement to be prepared.

Motion by Helgevold and seconded by Rasmussen to continue this hearing to Monday, May 23, 2016 at 10:15 a.m. to allow time for a drainage agreement to be prepared and to approve \$250.00 for attorney fees for said agreement. Motion carries.

Motion by Helgevold and seconded by Rasmussen to adjourn the meeting. Motion carries.
