

November 16, 2015

Chairman Helgevold called the regular meeting of the Wright County Board of Supervisors to order at 9:00 a.m. Members present were Watne, Rasmussen, and Helgevold.

Minutes of the previous regular meeting of November 9, 2015 were read and approved.

Approved claims for payment.

Andy Yackle, Buildings and Grounds Maintenance, presented quotes on what it would cost to permanently have the south doors of the courthouse locked. This would dedicate the west doors as the main doors for the courthouse allowing better security utilizing only one entrance and will get the county one step closer to following the State's request concerning security for the Court system. Motion by Watne and seconded by Rasmussen to approve the process of locking the South doors and get quotes for the cost. Motion carries.

Yackle then presented one quote on videoing the board meetings with the ability of publishing them on YouTube. The Board did ask Yackle to continue to get a few more quotes for this project.

Drainage Clerk, Deb Lukes, presented an improvement petition for DD#39 signed by a landowner in that district. The improvement would be to install a new joint main. Motion by Watne and seconded by Rasmussen to receive the improvement petition and appoint Ryken Engineering to review the plans presented by the DNR Engineer. Motion carries.

Jim Lester, Wright County Emergency Management Coordinator, gave a short presentation on the Status of Emergency Medical Systems in Wright County. It was a consensus of the Board to move forward to organize a Wright County EMS Advisory Board to work with the area ambulance services. Motion by Watne and seconded by Rasmussen to direct Jim Lester to set up a meeting and to organize a Wright County EMS Advisory Board. Motion carries.

Motion by Watne and seconded by Rasmussen to adjourn the meeting. Motion carries.
